REVOCATION AND NEW POWER OF ATTORNEY

Dear Sir:

Under 37 CFR §3.73(b), MUSC Foundation for Research Development, certify that they are the assignees of the entire right, title and interest in the application identified above filed on August 27, 2001, by virtue of Assignment from the Medical University of South Carolina for the patent application identified above. The assignment to MUSC Foundation for Research Development was recorded on August 27, 2001 and is located on Reel 012194/Frame 0272 in the Patent and Trademark Office.

The undersigned has reviewed all the documents in the chain of title of the patent identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above. The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee. The undersigned hereby revokes all powers of attorney previously granted in the application and appoints:

Dr. Benjamin Adler, Registration No. 35,423, with full power of substitution and revocation, to prosecute the application and to transact all business in the United States Patent and Trademark Office connected

therewith. All correspondence regarding the application should be sent to Dr. Benjamin Adler, c/o Adler & Associates, 8011 Candle Lane, Houston, TX 77071.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,

Date: 7/9/04
